

Sept. 11, 1984

Tryon Volunteer Fire Dept.
North Trade St.
Tryon, NC 28782

Dear Chef and Firemen:

I would like to submit my application to you for your approval. I was voted into the department five years ago, but turned the offer down to become a member of the Polk County Rescue Squad. I have regretted the fact I did not become a fireman, but I have also had the chance to learn and grow in the Rescue Squad, since I am older and more experience in emergencies since my last application I feel I will make the department a better fireman. I would appreciate the firemen's consideration for my decision five years ago.

QUALIFICATIONS:

1. A native of Tryon for twenty four years.
2. A member of the Polk County Rescue Squad for Five years and missed few meetings or calls.
3. Taken classes in first aid, bee sting and Emt.
4. I know almost all the roads and businesses in the surrounding area.
5. I also own a scanner in which I listen for any emergency in the area.
6. An employee of the Town of Tryon and having easy assist to any part of town.

Taking all these things into consideration I hope you will decide to make me a member of the Tryon Fire Dept.

Sincerely,

Scottie Gosnell

Scottie L. Gosnell
