

TRYON VOLUNTEER FIRE DEPARTMENT

TRYON, NORTH CAROLINA 28782

10-21-88

Ricky,

Checking over our records of meetings, training & schools the fire dept feels that you are not meeting your obligations as a fireman. If there is a legitimate reason for this Please inform me. IF there is no reason or you simply do not have time to participate in the dept., I feel the dept would accept a resignation at this time. We would appreciate some type of response by Dec. 7, 1988.
